To You » »

—our readers, we present this book, that in days to come you may recall with fond memories, and relive with pleasure the experiences we have had together.

In adopting an industrial motif for the annual we feel that we are rededicating ourselves to our class motto, "EXCELSIOR" and honoring the growth of Fairport by expressing our appreciation of all that industry has done for the progress of our town.

IN APPRECIATION

—of his expert workmanship and fidelity, we take great pleasure in dedicating this annual to Mr. Gerald Babson, our friend and coach. It is our earnest desire that he serve this school for many years to come.

THANKS

On behalf of the Class of 1937, the editors of the Harbor Light wish to thank all those who have so willingly co-operated to make this annual possible.

We extend our full appreciation to our sponsor, Mr. C. P. Williams; to the Kamera Klub, under the supervision of Mr. R. A. Rood; to the art department, guided by Miss Esther Ward; and to all others who lent their talents.

IN MEMORIAM

ROSE ONDUS

JULIA BOCZAN

LAURI KUJALA

"Looking Back"

We arrived here on one September morn for our eighth year, fresh, slightly green, but eager and willing to do our best. We were directed into three different home-rooms. Miss Shawcross, Mrs. Blake and Miss Corey were our teachers. We soon learned that we must get down to business if we wanted to get any sort of grades on our cards.

In the ninth grade we were put under the guidance of Miss Douglas and Mr. Boley. Miss Douglas's home-room was supposed to put on a play for chapel program but all the main characters became ill the day before it was to be given. We felt rather important to think that our pictures had been included in those taken for the annual.

In the tenth grade we advanced to the second floor to rooms 8 and 11 patroled by Miss Montgomery, Mr. Winchell and Mr. Carman. We had a picnic on Mr. Brown's farm (what class hasn't?). Remember those Frosties? Somebody had a tummy ache that night, it must have been the ones who had devoured two or three ice creams.

After what seemed ages we became Juniors, proud and bossy, but still kept well in hand by our teachers, Miss Rhodes and Mr. Dunning. In the fall came our first real event — the Junior Class play. Later our class rings were selected and ordered and remember how proud we were in our refusal when the Seniors asked to use our crest for their's. The skating party at Madison was one "humdinger" even if we did have a few tumbles. Next in line came the Junior-Senior Prom in May! That was certainly a gala night out at the Madison Country Club with everybody in his best "bib and tucker" and oh—the line of teachers with heart trouble that were discovered that night! Last of all was the class picnic at Mr. Brown's farm. Miss Rhodes proved very wicked that night for she led a group of our girls astray and didn't bring them back until time to leave.

Eventually we achieved the rank of high and mighty Seniors. We tried to lord it over the lowly Juniors just like all the other Senior classes have done. This was our year for activity! Excitement certainly ruled the roost on the day that our pictures came and then came the class play in May. The picnic attracted plenty of attention and provided lots of fun. Then came the days of combined gladness and sorrow—Commencement was at hand, ending our glorious high school days.

Last Will and Testament

We, the graduating class of 1937, Harding High School, Fairport Harbor, Ohio, being now of sound mind and body, do make, publish, and declare the following to be our last Will and Testament, and hereby annul all former Wills by us heretofore made.

Item I. It is our wish that our past mistakes and errors be forgiven and forgotten publicly by our pedagogues and fellow students, before any embalming be done on our persons.

Item II. To the Juniors, we bequeth our choice seats in chapel. We loan, for masticatory exercises, between or during periods, all of those gelationous coagulations adhering in more or less hardened form to all seats occupied by us in class rooms and chapel, consisting mainly of "Dentyne" and "Juicy Fruit". We request only that after each indulgence in said exercise, that they be carefully replaced for the future enjoyment of subsequent seniors.

Item III. To the Sophomores we leave the subjugation of the Freshmen and any stubs of pencils, and bits of papers we may have left, which we give our full permission to use.

Item IV. To the hero-worshiping Freshmen, we leave our paternal solicitude and all those aged and somewhat deteriorated shoe laces, towels, and tennis shoes found in the shower rooms which they may, with our full permission, keep as souvenirs.

Item V. To the teachers we leave all the unheard of bright secrets and new discoveries we initiated them into on our examination papers.

Item VI. To the future Harbor Light Board, we bequeath a scheme other than water and ships. We're seasick! ! ! !

Item VII. To the following we leave these gifts:

To Miss Rugg: Future Seniors who will be good examples to under classmen.

To Mr. Greig: Teachers who don't get bitten by the Love-Bug.

To Mr. Brown. Students who know enough to run for shelter when the "five-after" rings.

To Mr. Lake: A sound-proof, insulated partition between Room 4 and the Band Room.

To Miss Pierre: More volunteers for the Kitchen Brigade.

To Miss Langstaff: More big brutes to stand between in pictures.

To Mr. Rood: Plenty of filthy lucre with which to buy fantastical photographies and yet keep the Kamera Klub out of debt.

To Mr. Winchell: More girls to keep him company after school.

To Mr. Minister: A life full of Virginia Reels.

To Mrs. Patch: A cast which will learn their parts before the last night.

To Mr. Williams: A Harbor Light Board that won't give him too many headaches.

1937 seemed to be a great year for changes. Witness our band! Having graduated practically the entire bass section last year Mr. Lake has accomplished much in the short time during which he has worked with his new members. Besides the basses, the alto section has been remodeled so to speak and several instruments which we have never had before have been added.

During the four years of our attendance the band has accomplished a great deal in the way of activity. They have entered various marching contests, accompanied all plays and entertainments held in the auditorium, led our boys of the gridiron to victory, both at home and abroad, entered the Northeastern Band contest at Ashland, broadcast over Station WJAY, and held concerts for the enjoyment and benefit of all listening ears.

Here's to Mr. Lake, the band members and their successors.

FAIRPORT'S SKIPPERS WIN GRID OPENER, STOP EUCLID CENTRAL, 12-0

We started the 1936 football season successfully by a 12-0 win at Euclid. Although using an aerial offensive to get into scoring territory, our tallies were made by line plunges. A long pass by Sarkkinen, and a couple of line plunges by Lakso in the first quarter accounted for our first touchdown. Later, in the last quarter, a long pass by Sarkkinen to Esterhay and a couple of line plunges by Werbeach accounted for our final touchdown.

FAIRPORT, WILLOUGHBY BATTLE TO SCORELESS TIE

Our first Lake Shore League game was with the Rangers at Austin field. The game was uneventful except for a few incidents—one, when Willoughby came within one foot of our goal; another, when they reached our seven-yard line. Our traditional brick wall defense proved true both times. The only outstanding player was Willoughby's own Rocco Stillisano. To prove this, he did the punting and then ran down the receiver every time.

FAIRPORT, ASHTABULA GRIDDERS PLAY TO UNIMPRESSIVE TIE

Before a huge crowd we played out first night game under our new stadium lights. Although it was a scoreless tie, we reached the Panther's one-yard line in the second quarter. The visitors, on the other hand, threatened our own three-yard line but failed to cross. Lakso, Werbeach, and Sarkkinen accounted for our yardage. Esterhay's excellent punting played a big part in the tussle. (Can you remember the sailors at the game?)

UNSCORED-UPON SKIPPER ELEVEN THUNDERS TO WIN OVER TROJANS, 14-0

In a night game on a rain-soaked gridiron we came through with our first Lake Shore League victory, 14-0. Both sides played a bang-up game resulting in serious injuries. "Yabbu" Esterhay's "coffin corner" booting and "Shorty" Sarkkinen's passing proved too good for the Trojans. Our points came rolling in when Ivary tackled a Trojan behind their goal line, and Sarkkinen heaved two mighty nice touchdown passes to Esterhay and Werbeach.

HARBOR GIVES THE SKIPPERS SETBACK, 6-0

Our first and only loss this season in either Lake Shore League competition or outside games came at the hands of the hard-fighting Harborites in a cold night game at Harbor, 6-0. The lack of versatility and a continuous series of fumbles kept us from scoring. Laveck made Harbor's only touchdown. This game proved to be the best medicine available for our later games.

"SHORTY" SARKKINEN HERO OF FAIRPORT WIN, 18-12

Painesville got the surprise of their dear old lives when we came home on the long end of a 18-12 score.

The Raiders started the scoring with a pass from Luhtanen to Slocum. We tied the score by Werbeach's plunge. Painesville retaliated when Luhtanen took the kickoff and lateralled to Stevens who ran seventy yards for their second touchdown. Sarkkinen then tied the score when he grabbed a Painesville punt and raced seventy yards for a score. Later, in the last quarter, with the score tied Sarkkinen received a punt and ran sixty yards to put us in a scoring position. After a line try Sarkkinen passed to Esterhay for the winning touchdown. When the game was over, the north goal post was no where to be seen.

FAIRPORT SKIPPERS HALT RUSH OF KENT ELEVEN, GAIN 14-14 DEADLOCK

We traveled to Kent to mar their perfect season with a 14-14 tie. The big four—Sarkkinen with his passing, Esterhay with his punting and pass receiving, and, Lakso and Werbeach with their plunging were again outstanding. Our first touchdown was made by Werbeach's plunge. Werbeach also made the extra point. Our next touchdown was made by Sarkkinen's pass to Esterhay. Werbeach again made the extra point by a plunge.

SKIPPERS TOPPLE GENEVA TO CINCH CHAMPIONSHIP POSITION IN LOOP

In the last league game of the season we sent the Geneva Eagles home with a 21-0 bouncing. This game assured us at least a share of the Championship. The first half went uneventful. In the second half the passing combination of Sarkkinen and Esterhay clicked and resulted in a 25 yard pass for a touchdown. Werbeach dived over for the extra point. After a couple of first downs Werbeach scored for the second touchdown, Lakso plunging for the extra point. The last touchdown was again made by the combination of Sarkkinen and Esterhay. Hill caught a pass for the extra point, ending the game.

RAIDERS AND SKIPPERS BATTLE TO SCORELESS TIE

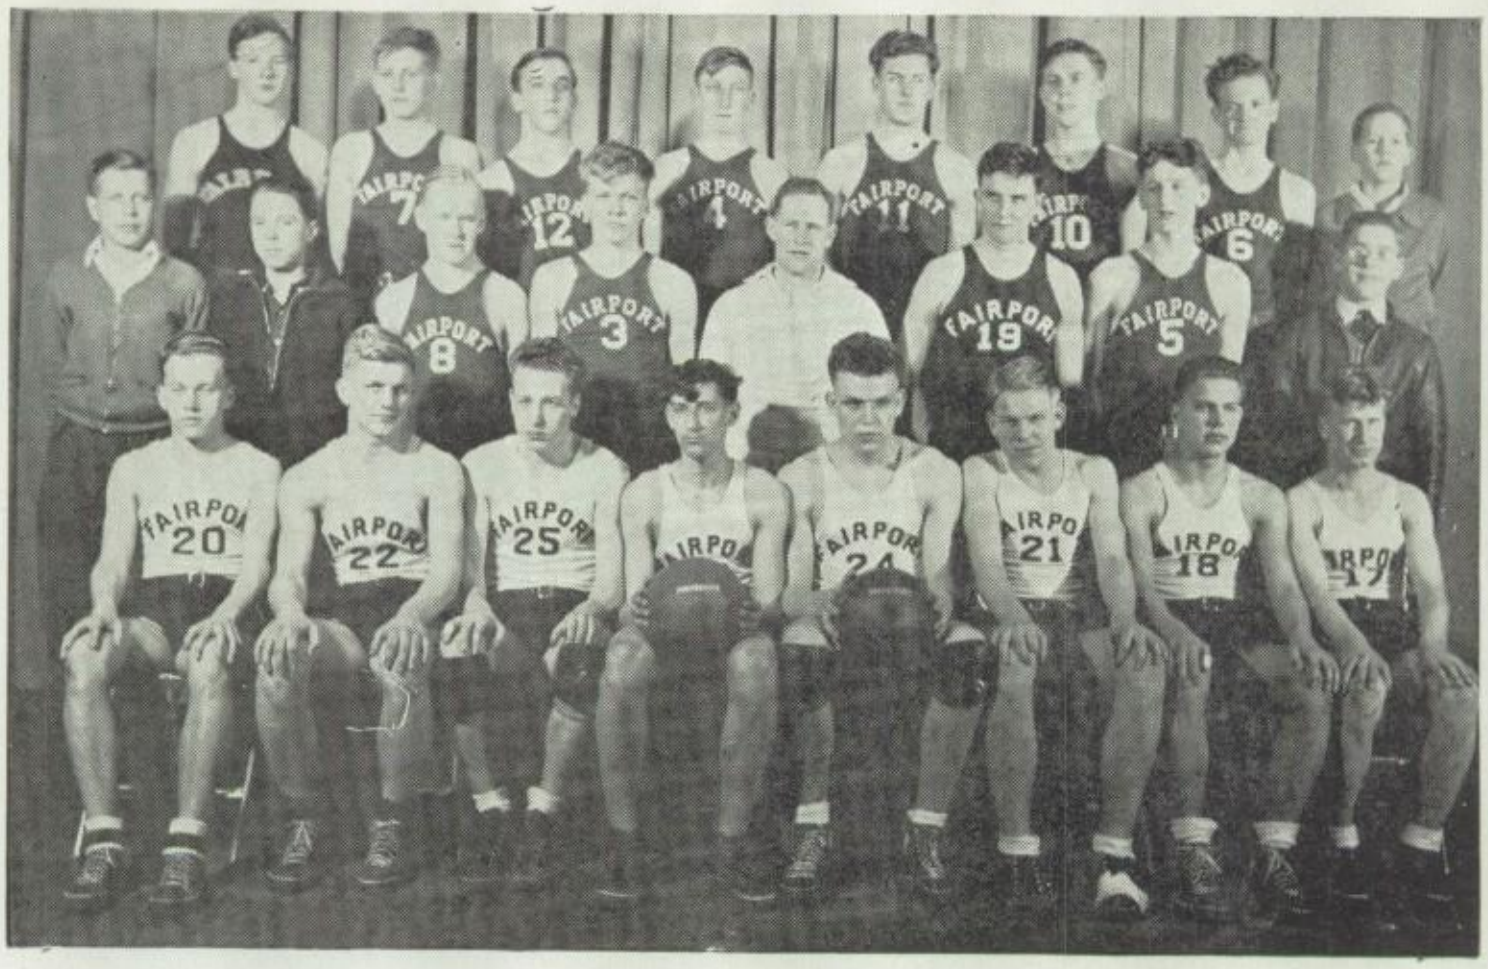
Although the annual Thanksgiving game with the Raiders was battled to a scoreless tie, statistics show the Skippers to be superior. These figures don't lie: Yards gained rushing F—103, P—113; yards gained passing F—64, P—56. Total yards gained (scrimmage) F—167, P—169. Yards lost rush-

ing F—10, P—39. First downs F—13, P—17. Passes attempted F—31, P—18, passes completed F—9, P—6. Number of punts F—7, P—5. Average yards punts F—29, P—25. Penalties F—20, P—25. Fumbles F—2, P—3. Passes intercepted F—4, P—6.

Football Players

All the players worked very hard this season and gained a co-championship with Painesville—the closest Harding High has ever come to a championship. Sketches of the players follow: CAPTAIN EINO "SHORTY SARKKINEN, quarterback—one of the greatest backfield men in Lake Shore League history—noted as a good passer and an excellent runner—made the All Lake Shore second team—graduated mid-year. ROBERT "YABBU" ESTERHAY, end—only Skipper making the All Lake Shore first team this season—highest scoring end in Fairport football history—excellent kicker as well as a good pass receiver—graduated mid-year. HENRY "TEEVI" IVARY, center—last of the Ivary clan to enter the annals of football fame at Harding—was what you might call the big brother of the team—made the All Lake Shore second team—graduates in June. EDWIN "BUCKY" LAKSO, fullback—he was the one who put the Skippers in scoring position by his line plunges—about the best blocker on the team—graduated mid-term. JACK "LOCKY" LOXTERMAN, guard—small but mighty—good defensive player—made All Shore second team—graduates in June. ANTHONY "PETTI" MAGYAR, tackle—graduated mid-year. CHARLES POTTI, guard—a very good defensive player—graduated mid-term. ERNEST "WILD" WERBEACH, halfback—hardest running back in the league—a wild horse when he gets started—he is back next year. WILBERT "WIBBY" KOSKI, tackle—a hard tackler and good blocker—he returns next year. RAYMOND "FAT" TOIVONEN, end—a good pass snagger—many long gains were made around Fat's end—returns next year. ROBERT "ZAL" CINKE, fullback—a darned good plunger and a good pass received—back next year. ARNOLD "FIMP" SAARI, halfback—a clever runner and a sure regular next season when he returns. FRANCIS "BROOKS" HILL, tackle and end—dynamic on defense and a good pass receiver when playing end—back nevt year. EDWIN "LADY" LUOMA, halfback—fastest man on the team and a hard-runner—graduated mid-year. ALLAN "BEANIE" MACKEY, quarterback—a brainy signal caller and a fine little runner—graduated mid-year. MARTIN "NORRI" HILSTON, tackle—good on both defense and offense and fast despite his weight—graduates in June. ROBERT "TOAR" MACKEY., guard—the Rock of Gibraltar on defense—graduates in June. CURTIS HALL, halfback—a fast runner and good at intercepting passes—graduates in June. SULO "SAILOR" OINONEN, guard—would have been a first stringer if injuries had not kept him down throughout the season—graduated mid-term. RONALD "RONNIE" BLAKESLEE, end—injuries kept him out all season—back next year. JOE ADAMS, halfback—injuries lingering the last two football seasons kept him out of action—graduates in June.

There are also many subs who should be given credit for sticking it out—John Ellar, Joe Mohner, Melvin Luoma, Joe Kusema, Herbert Pohto, John Sutch, Jimmy Bodak, George Adams, Ray Suomela, John Oris, John Kiikka, Robby Pohto, Harrison Snyder, and Nick Zavore. Also credit the All Lake Shore managers, Elmer Ojanpa and George Snyder, with the ability to work hard.



Comment By Coach Babson

Before making a prediction about our basketball prospects for next season perhaps, we had better look back over the past season, which was very successful.

We started practice the first week in December with one regular and letter man, "Shorty" Sarkkinen, back from last year. Our hopes and prospects for retaining the League Championship didn't look so rosy. Painesville appeared to have the best team, Ashtabula second, with Fairport a poor third. After a week's work we were beaten by Wickliffe, which didn't help our cause much. The boys began to realize that if they were to get any place it called for hard work and a lot of sacrifice on their part to be in the best of physical and mental condition. We began to reap rewards for this hard work and won seven games, until Geneva, painfully administered the age old lesson that you must be on your toes at all times in order to be successful. We finished ahead of prediction by getting second place in League play and winning the North-Eastern Ohio Basketball Tournament by playing fine basketball.

Next season we should look forward to a team as good if not better than this season's. It must be kept in mind that we lose our balance wheel when Henry Ivary leaves in June. The remainder of the squad will be back, we hope, in fine condition. I predict that if the boys are willing to sacrifice and really work next season, baring injuries, we should again be on top.

The Uncrowned Champs

OUR RECORD—Although we lost the Lake Shore League Championship to Painesville, we did win the N. E. O. basketball tournament. We won 9 league games and lost 3.

"SHORTY" SARKKINEN—guard. Although "Shorty" played only a half year he was the keyman of the team—a consistent scorer as well as a reliable defensive star.

"TEEVI" IVARY—guard. Last of the Ivary's in the basketball field—one of the highest scorers in the league—he was selected for the first team on the All-Lake Shore five—graduates in June. All the following players will be back next year and some will be back for two years. Our prediction is that they will have another team of championship calibre.

"HYG" KORPI—forward. One of the steadiest players in the league—a good all-around player.

"BROOKS" HILL—center—about the biggest man in the league—will be back next year and likely to develop into the league's leading scorer—made the second team on the All-Lake Shore as a guard.

JOHN SUTCH—forward. This was his first year out for basketball and he was soon up and among the regulars—a steady scorer.

"FAT" TOIVONEN—forward. Another old reliable who saved many games by his dead-eye shots.

"MELL" LUOMA—guard. "MEL" was to basketball what Bitsy Grant is to tennis, a very good long shot artist.

"JOSIE" MOHNER—guard. Another good player to watch next year.

"MILLER" KANGAS, GEORGE ADAMS and "ELLU" SAARI were used as reserves and they traveled with the tournament team. "RONNY" BLAKESLEE and "DONY" MACKEY were also used as reserves for the regulars during most of the season.

The following players should be given credit as they played on the reserves—"Sterl" Sippola, "Wild" Werbeach, "Zal" Cinke, "Auki" Weimero, Jack Bartish, "Ettu" Kuivila, and Harrison Snyder.

Mike Beseda, "Aggu" Mattinen, Milton Mackey, David Szuhay, and Allan Riipa served as managers. Last reports show that Beseda was leading Mattinen .0001 of a point for the All-Lake Shore manager's berth.

Following The Uncrowned Champs

FAIRPORT IS TOPPLED BY WICKLIFFE, 15-9

This was our first game of the season, and not being a league game, it didn't mean very much but a practice session. The only outstanding player was Wickliffe's own "Fritz" Wollpert who made 10 points.

FAIRPORT'S SKIPPERS LAUNCH SHORE TITLE DEFENSE, DRUB MARINERS

We surprised ourselves when we opened the league games by trouncing Harbor 30-18 in a home game. Ivary led the scoring by chalking up 9 points.

FAIRPORT WINS 2ND CONSECUTIVE SHORE TILT, WHIPS WILLOUGHBY, 34-14

Again our tall, rangy basketeers booked in a win. This game was really a walk-a-way. We led at the half 16-3. At the end of the 3rd quarter the score was 30 and 4, in our "flavour". Sutch was high point man with 8 points.

HARDING SKIPPERS RALLY TO STOP MENTOR, 27-22

Our supposedly green team stopped Mentor with a rally when the score was deadlocked 16-16 at the end of the third quarter. Sarkkinen led the team with 8 points.

FAIRPORT WINS 3RD CONSECUTIVE TILT BY DROPPING ASHTABULA, 24-13

We took our 3rd league game of the season when we beat City 24-13 in a home game. We led at the half, 10-3 and again at the end of the 3rd period 17-7. Ivary led the scoring with 3 fielders and 3 hookers.

FOURTH CONSECUTIVE VICTORY GAINED BY FAIRPORTERS

We traveled to Conneaut to gain a convincing victory 41-17 over the Trojans. We led at the half 20-3. Sutch led the scoring with 11 points and Ivary was close behind with 9 points.

FAIRPORT CAGERS CONTINUE TO REIGN SUPREME OVER PAINESVILLE

We came through with a 32-24 victory which gave us 5 league wins. The game was a see-saw affair until the final quarter when we swamped the Raiders and sailed unto victory. Sutch again led the scoring with 5 goals and 2 charity throws.

GENEVA HANDS FAIRPORT 1ST DEFEAT, 25-18

We traveled to Geneva to receive our first set-back, 25-18. The game was played without the aid of "Shorty" Sarkkinen, who was in the game only one quarter. This was Shorty's last game. Hill topped the team with 5 points.

MARINERS SCORE UPSET OVER FAIRPORT, 26-24

The classy Mariner team sent us home with our second league loss. After beginning to play their usual brand of ball, Harbor changed to rushing and the tables were turned. Hill was high scorer with 8 points.

FAIRPORT BACK IN STRIDE, TOPPLES WILLOUGHBY RANGERS, 35-21

After losing two consecutive contests we came back in the running by romping over Willoughby, 35-21. We held Willoughby 25 to 8 at the half. Korpi led the scoring with 10 points.

SKIPPERS UPSET ASHTABULA IN CLOSING BURST, 20,17

After a night of thrilling basketball we came home from City with a 20-17 win. The game being evenly matched with the score 17 all and 58 seconds to play, Toivonen made a free throw and Luoma made a goal, ending the game. Korpi topped the scoring with 9 points.

TOIVONEN'S SHOTS IN TWO OVERTIMES ENABLE SKIPPERS TO WIN, 36-34

In a bitter battle with the Conneaut Trojans, having two overtime periods, we came through on the long end of a 36-34 score. Although Toivonen saved the game by his baskets in the two extra sessions, the whole team played well, with Toivonen, Korpi and Sutch making 8 points each.

FAIRPORT HUMBLED BY HARVEY STARS, 41-25

Painesville took away our championship hopes when they beat us in a hotly contested scramble before a crowd of 2000 at Mentor. We led at the half and it was anybody's game. Luoma kept us in the running by his excellent long shots.

HENRY IVARY IS STAR AS SKIPPERS UPSET GENEVA EAGLES, 33 to 21

Our Henry Ivary, last of the Ivary clan, ended his league play by pacing our second-place Skippers to victory over the Geneva Eagles, 33-21. He tallied 11 points while Sutch and Hill made 7 points each.

SKIPPER'S RALLY HUMBLES TROJANS, 38-26

Our first game in tournament play was with Conneaut. We overcame the Trojan's big lead of 16-5 and then we went sailing smoothly throughout the rest of the game. Sutch led the scoring with 12 points.

SKIPPERS WHIP HARBORITES, 32-22

We took our second game of the tourney by downing the carefree Mariners, which assured us a trip to Akron. Ivary led the scoring with 13 points, Korpi tailing with 8.

FAIRPORT GAINS 5TH HONOR IN AS MANY YEARS

We eliminated Ashtabula in the finals of the N. E. O. Tournament, 30-28. During the last part of the game it was a see-saw affair but we finally came through on the heavy end of a 30-28 score. Ivary led the scoring with 10 points.

ELYRIA TOPS SKIPPERS IN AKRON EVENT, 41-24

Having won the Northeastern Ohio Tournament at Geneva, we advanced to the class A sectional tournament at Akron. Here we were eliminated in the first round of play by Elyria, 41-24.

Track Forecast

"This years outlook doesn't appear very bright," says Coach Minister. "Although we have quite a few experienced men most of our point-getters and reserves have gone—leaving us with little hope of placing as high as last year."

However, with the aid of his five letter-men and the large group of new boys Minister hopes to be able to build up a stronger team than now appears possible.

The five letter-men, namely, Ronald Blakeslee, Eugene Kangas, Carl Lindbergh, Arnold Saari, and Ernest Werbeach will participate in the dashes, relays, half miles and hurdles, pole vaults, high and broad respectively.

Besides these we have Emery Bezzeg, Paul Dilgren, Francis Hill, Henry Ivary, Wilbert Koski, Jack Loxterman, Melvin Luoma, Donald Mackey, Louis Svigel, and Raymond Toivonen—all veterans.

Coach Minister also appears enthused over the group of newcomers, consisting of Jack Bartish, John Eller, Nick Gyure, Curtis Hall, John Tirpak, Paul Kraynik, and Oliver Wiemero and we know that all of them will do their best to uphold Fairport's rating.

Girl's Intramural Sports

There seemed to be stiff competition and plenty of players in girls' sports this year, especially in the Junior and Senior classes.

In Volleyball, the Senior girls literally went to town by defeating all opposing teams, but that is just as it should be.

Because of the superflous number of Juniors, two teams had to be made namely the Junior OO and the Junior O. Friendly rivalry was prevalent between the two teams but occasionally the fur flew in all directions.

There seemed to be a quirk of fate in the decision for Championship. The Junior OO team defeated the Seniors, and in turn was badly beaten by the Junior O team. The Seniors' retaliated and defeated the Junior O's thus making all three teams champions with three games won and one lost.

Gags

The school annual is a great game.
The school gets all the fame,
The printer gets all the money
The Staff gets all the blame.

IT'S ALL FOR FUN

If here your name you find,
And something dumb you've done,
Just say, "Oh, never mind,
Because it's just for fun."

The Juniors are the in-between class,
The Sophs are afraid of them and the
Seniors can't be bothered.

Mrs. Patch (to English Class)—"Tomorrow we shall take the life of Samuel Johnson. Please come prepared."

BIG!

Henry Ivary: "Where are my shoes? I can't find them anywhere."
Mrs. Ivary: "Here they are. Matt has his violin in one of them."

LOST AND FOUND

Wanted—A boy to be partly inside and partly outside the counter.
Lost—An umbrella by a man with a bent rim and a bone handle.
Lost—An overcoat by a gentleman lined with real fur.
For Sale—A bed by a woman that folds up and looks like a piano.
Wanted—A boy to take care of a horse of a religious turn of mind.

What is the "Order of the Bath"?
Pa first, then ma, then us kids, and then the hired girl.

What makes the western prairies so flat?
Well, I guess it must be because the sun sets on 'em every night.

At a baseball game there was a young lady and her escort. She had never seen a game before. "Isn't that pitcher ground?" she said, "he hits their bats no matter how they hold them."

Walter S.—"All great men are dying. I feel kinda' sick myself."

Football Hero (Sulo O.)—"No, mother, I didn't lose my teeth; I have them right here in my handkerchief."
